About Us

We are a premier, multi-disciplinary construction, engineering, and manpower support conglomerate headquartered in Doha, Qatar. Established in 2005, we have consistently expanded our operational footprint to become one of the most reliable and vertically integrated engineering firms in the Middle East.

We have a proven track record of delivering high-quality infrastructure projects in Qatar, acting both as a standalone general contractor and as a strategic joint-venture partner alongside top-tier international contractors. We specialise in massive civil developments, complex mechanical and electrical (MEP) installations, and heavy-duty structural engineering.

Our corporate signature can be seen across some of Qatar's most iconic landmark developments, including the Doha Metro network, the National Museum of Qatar, and the progressive megacity of Lusail City.

Vision, Mission & Values

Our Vision

To remain the vanguard of infrastructure development and human-resource logistics in Qatar, continuously shaping the region's urban landscape by setting the gold standard for engineering excellence and sustainable industrial solutions.

Our Mission

To consistently exceed the expectations of our clients, joint-venture partners, and stakeholders. We accomplish this by blending advanced construction technologies with our massive, highly disciplined workforce - all while remaining firmly anchored to stringent international standards of safety, quality, and environmental sustainability.

Our Core Values

- Operational Excellence - rigorous execution of engineering procedures across every project lifecycle phase.
- Safety First - maintaining a zero-harm corporate ecosystem with absolute adherence to local and international occupational health protocols.
- Synergy & Teamwork - cultivating long-term relationships with a global talent pool, emphasising skill development and rewarding loyalty.
- Integrity - absolute transparency in our financial reporting, commercial procurement, and project timelines.

5,001 - 10,000 active employees.

PRIMARY PHONE / WHATSAPP

+974 6655 7728.

LANDLINES

+974 4435 4422 - +974 4435 1112.

FAX

+974 4431 1474.

CORE TECHNICAL SPECIALTIES

Industrial Manpower Provision, Complex Civil Works, Turnkey MEP Infrastructure, Heavy Equipment Rental, Commercial Real Estate, and Business Support Services.

Our Comprehensive Capabilities

1. Civil Construction & Infrastructure

We possess complete in-house capabilities to execute large-scale, turnkey civil-engineering designs. Our expertise stretches across heavy infrastructure, road networks, concrete structural layouts, substations, and architectural landscaping.

2. MEP Contracting (Mechanical, Electrical, Plumbing)

Our specialised engineering wings manage intricate electromechanical systems, high-voltage electrical setups, HVAC frameworks, and complex industrial plumbing required for heavy commercial and civil towers.

3. Industrial Manpower Support & Logistics

We maintain one of the largest corporate pools of skilled, semi-skilled, and specialised labour in Qatar. From structural fitters and masons to trade workers and project assistants, we handle comprehensive visa sponsorship, onboarding, camp lodging, and human-resource management at scale.

4. Heavy Equipment Support

We supply and manage an immense corporate fleet of heavy machinery, earth-moving equipment, backhoe loaders, and transit vehicles to ensure zero downtime on large-scale excavation and construction sites.

5. Professional Facilities Management & Cleaning

We deploy structured, industrial-grade cleaning operations and ongoing facilities-management services tailored for corporate hubs, business parks, and newly handed-over real-estate projects.

Corporate Structure & Sister Concerns

To manage our rapidly expanding operations and retain full vertical control over our supply chain, we have built a powerful ecosystem of specialised sister companies and subsidiaries. Our group includes, but is not limited to:

- Nasser Al Ali Group
- Nasser Al Ali Contracting
- Nasser Bin Ali Trading Est.
- Nasser Al Ali International
- Nasser Al Ali Roads
- Sai Qatar Trading & Contracting
- Expo International Enterprises
- Doha Mechanical Engineering & Development
- Wrangler Trading & Contracting
- Red Sea Trading & Contracting Co. W.L.L.
- Al Magateer Trading & Contracting Co.
- Ambition Projects W.L.L.
- Aigner Trading & Contracting
- Electroline International
- Lusern Contracting & Cleaning
- Nasser Al Ali Business Center
